Hello Larkin percussionists!

All percussionists in the Larkin High School Band need the equipment listed below. The school provides the drums and other instruments, but each student is responsible for his or her own sticks and mallets. The brands shown can be replaced by a comparable alternative, and you may purchase these on your own, or you may order through Larkin High School. If you have concerns about the financial commitment, please reach out via email or phone.

Sincerely,
Brendyn Dobbeck
Band Director
